FUTURE FUND APPOINTS WATSON WYATT AS ADVISOR

On 14 August 2006 the Future Fund released a Request for Tender for the services of an asset consultant.

Following the completion of the evaluation process, the Future Fund Board of Guardians (the Board) has selected Watson Wyatt for this role.

In conjunction with internal staff, Watson Wyatt will provide the Board with advice on a range of issues including establishing an investment mission and philosophy, the development of the strategic asset allocation for the Fund and setting the transition strategy for entry into financial markets.
